## Tri-COG Land Bank

### Application for Property with House

You must complete this form in its entirety. Tri-COG Land Bank (TCLB) seeks to transfer properties to responsible buyers who can successfully demonstrate a viable plan for the property. This Application cannot be processed without the signed Terms and Conditions form, attached to this document. All applicants must demonstrate that they have secured funding in an amount sufficient to cover all acquisition costs AND all renovation costs at the time of submitting the application. TCLB may require more information.

TCLB properties are sold in "AS-IS" condition and no warranties are made regarding property condition. The applicant assumes all responsibility to investigate the property and consider the improvements and cost of improvements in their application. TCLB encourages interested purchasers to engage a contractor or inspector to evaluate the property prior to submitting an application. After an application is submitted and approved, you may not change the offer amount or negotiate contingencies related to property condition.

**The approval of an application and transfer of a property is at the sole discretion of the TCLB Board.** Although offer amount is an important aspect of the application, the property use, rehabilitation plan and other aspects of the application submitted are also important. The highest offer amount does not guarantee the transfer of a property and submitting an application does not guarantee approval to purchase a property.

If the intended use of the property is for a side lot or residential vacant lot, please complete the appropriate applications found at: <https://tricoglandbank.org/properties/residential-properties/>.

All Applications should be submitted via email to [applications@tricoglandbank.org](mailto:applications@tricoglandbank.org) or by mail or in person to:
